At 6:30 p. m., we invite everyone to login and visit with each other and guests. This is a great time to ask any genealogy questions you may have.

At 7 p.m., Mrs. Hancock will share with us her informative presentation about FamilySearch.org. She is very knowledgeable about Family Search and has been involved with this program since its inception. Many enhancements have been made to it over the past few years which makes it user-friendly. Her passion for family history and how to use the technology encourages people to discover more about their ancestors.
